With Deepest Sympathy.. I remember when Mr. Brennan brought Robert and Matt upto QCMP on a Saturday to walk around a table to put a newsletter together. I really don't think they wanted to do it, but of course they did what their father told them to do. Debbie Emerson Quaker City Motor Parts

I am so sorry to read of Mr Brennan's passing. When I have lost a loved one, I have found the Bible to be very comforting, like the words of Jesus, where he said at John 11:25, "I am the resurrection and the life. He that exercises faith in me, although he dies, will come to life." I also have found the account of the death and resurrection of Lazarus at John 11:11-44 to add to my joy. I share in the family's grief for the departing of Rob. What a shock! I'm numb with perplexity. We worked together at P&G for over a decade and served as First Responders together for the Dover site. Rob was always good for a laugh with his spontaneous humor. Sure going to miss his smile. My condolences to his wife, children and extended family. PJC
