Dear Family, although I did not know Denise personally, I offer my deepest condolences for your loss. I'm sure that words could never ease the pain and heartache that you are suffering. May you be comforted by God's loving promise to be reunited together again in the future Paradise. God knows your pain and the many tears that you cry. Please be consoled by his loving promise at Acts 24:15. You're in my prayers. (Revelation 21:4, 5)

I am so sorry for your loss, please accept my sincere condolences at this time. Something that I have found to be a great source of comfort are the thoughts expressed in the Bible at John 5:28,29 where we see that there is going to be a resurrection of those who have fallen asleep in death. Losing someone is never easy but I hope that you find comfort from the scriptures and the promises that God holds out for us and our dead loved ones
