Karen Michaels lit a candle in honor of Juanita.

My husband and I met Juanita at Brunswick Bowling Alley when we joined a league over 20yrs ago. Juanita and I re-united years later when she contacted my place of work for Computer repair. She was an awesome lady! She thought the world of her grandson Dameon, she would tell me how great he was doing in school and how he was progressing in karate etc.... so so proud of him. I'm sorry if I spelled his name wrong. Casey, you were also spoken of with such pride! You were all loved very much by her. One day she was fine and then she's gone. We never know how much time we have with our loved ones, don't wait to forgive and forget, don't wait to tell someone your love them, you may never get the chance. Gone but never forgotten. RIP Juanita, we love you!
