Big Daddy Big DeVita (smiling) is what I called him. He was a people person for sure. I was blessed to get back from NY to see my buddy again. He always had an encouraging word for me. I can truly say that Bill was a friend! I will always remember him with a smile! Love You Bill...Bruce

I'm sad to let you go but happy for the life you lived! I take comfort in knowing you are with mom mom; she has been waiting so long for you! You can sing Sinatra's "come fly with me" to her. Keep a look out for us while we are still down here. We love you pop pop!
