Mom mom Uhey always will be remembered for her love of crafts and her artistic talents. Which I still own a few handicrafts to this day. I remember her helping my mom finish sewing my dress for junior prom. I will remember her little snort she always did when something really tickled her ribs. The many holidays we shared. She always had the best stocking stuffers and Christmas ham. She didn't take crap from anyone and loved her friends and family alot. And she was very much loved back.
