Becky, I am so sorry to hear of your mom's passing. I can't help but think of those days long ago when we would spread all of our Barbie houses and dolls and cars around your living room and make a mess and your mom was trying to work around us. I think it was impossible to get into that living room! But she put up with us (and them)! She can now rest in eternal peace and you have one more guardian angel in heaven to watch over you and your family. Maureen Rocheleau

Becky I am truly sorry to learn of your Moms passing. I am sure she's now happily reunited with your Dad. She was truly an amazing woman and I'm so thankful we were neighbors for all these years. Your folks always welcomed me when I popped over as a kid to visit because I was bored and I'd see them outside. I'll always treasure the memories of ya gi g with you and Maureen but most treasured are my memories of watching Jenna and getting to play with all your Barbie dolls! There could never be as great a neighbor as your family . May your mom Rest In Peace now. Love Kim
