This moment.

I want to hold you, instead the
windows divide.

I stand before you – feet planted
in the earth and head to the
sky-I-pray.

I pray you will find your secret
garden allowing your spirit to
soar high.

The flowers will never falter.

This beauty will never dim.

May you ease your body on the
wooden swing in your secret
garden-forever at peace.

Susan Bassett sent a virtual gift in honor of Margaret.

Even though Marcia, Terry, Peggy, and I only have our father in common, Maggie was always very kind to me. Rest In Peace. Much love and prayers to my sisters. Susan (Welch) Bassett

Truly, one of the nicest people I had the pleasure of working with and knowing. A very classy lady with a great sense of humor. May God grant her eternal rest and bless her family.
