On behalf of Calvary Church, Dover, and myself, we extend our condolences to the family. Larry worked with us for a few years. He was a great man, a hard worker, down to earth, and caring. I still use one of his famous sayings, "It ain't nothing but a thang." We pray that God will give you all peace and comfort during this time! With love and care, Dorothy Wood

When we were little we played a game called LIFE. Larry was a front line soldier not in the military but in life.He traveled down many paths and sometimes struggled to reach the main road. But Larry never gave up in his pursuit of inner peace and happiness. Thank God he has found it now and no one can take that away from him.
