Elizabeth J. Wennington

SEP 27, 1964 - APR 8, 2024

Elizabeth J. Wennington, age 59, of Dover, Delaware peacefully departed from this world on Monday, April 8th, after a courageous battle with long-term health struggles. Throughout her journey, Elizabeth faced every challenge with remarkable strength, grace, and unwavering determination. She never allowed adversity to diminish her spirit or hinder her zest for life.

Elizabeth was born on September 27, 1964, in Montreal, Canada. She attended primary school at Beacon Hill Elementary School in Beaconsfield, Quebec, and later moved to Long Island, NY, where she graduated from Half Hollow Hills East High School, Dix Hills, New York in 1983. She spent the remainder of her years living in Dover, Delaware. Elizabeth worked at the Dover Air Force Base for Blind Industries for over 20 years as a retail associate. She found joy in her daily work routine, approaching her tasks with dedication and pride in her contribution to the military. Anyone who worked with Elizabeth was consistently moved by her kindness, compassionate nature, and enduring optimism.

In her free time, Elizabeth loved to sing and listen to music, spend time with family and friends, and cheer on the Philadelphia Eagles. She had a great sense of humor that never failed to bring joy and laughter to those around her. She had a passion for crafting and took great pleasure in painting garden rocks. Her latest endeavor involved creating angel pins for individuals facing health challenges, offering them a message of resilience and the importance of taking each day as it comes. She immensely enjoyed helping others, possessing an innate ability to uncover the silver lining in any circumstance, and providing a guiding light of positivity to persevere through challenges. Elizabeth's greatest joy came from spending quality time playing with her cherished dog and companion, Lucy. To Elizabeth, Lucy wasn't merely a pet but a beloved member of her family, infusing her life with boundless love and happiness.

My name is Steve. My wife Cassandra and I would like to send our deepest condolences to the family of Elizabeth who recently passed away. She was a beautiful soul and a truly amazing lady. I was blessed and truly blessed to have a conversation with her last week when she was in the hospital at University of Penn. She really had an upbeat attitude & confidence, as she always displayed. We are so sorry to hear of her recent passing, but the good thing is she has transitioned to be home with God, her family and I think most importantly, all her beautiful friends, and no more pain and suffering for this beautiful lady. I would like to share one thing of a great memory. When Ron Nix lost his mother a few years ago, Elizabeth wanted to attend. I said to my wife that the service is about to begin, and Ron's not even here. Do you know where Ron was? He was the only kindhearted person that had the biggest heart to go pick up Elizabeth and to make sure that she attended her best friend's funeral service. I will never forget her devotion to people, but most importantly how Ron her personal friend made every effort to accommodate her because it brought joy to her heart. Rest in peace Elizabeth rest in peace. God bless you and God bless her Personal family. Steve & Cassandra

Dear Bill and family - I'm so very sorry to hear of Beth's very early passing. I knew her growing up in beacon hill (playing red rover and hide and seek well into the night). While I didn't know her during her adult life she sounds like a truly wonderful person. I'm also so very to hear of the loss of her son.
