Kenneth James Guzzie

JUN 4, 1951 - APR 22, 2024

Kenneth James Guzzie, 72, of Hartly, DE (formerly Springdale, PA) passed away on Apr 22, 2024. The loss was unexpected and the family is deeply saddened.

Ken was born on June 4, 1951 and attended Fox Chapel High School. He spent his post graduate years working at Heinz and DelMonte in Pittsburgh. Upon retirement he and Debbie relocated to Delaware where he worked at Kraft Foods. He spent his retirement years volunteering and playing Santa at Hartly Fire Department and Barclay Assembly of God Church. He spent his days riding his Harley Davidson, showing off his 1966 Chevy Impala at car shows, and learning how to play the guitar.

He is survived by his loving wife of 55 years, Debbie along with sons, James (Jessica) of Dover, DE and Ken (Lori) of Fairless Hills, PA. He is also mourned by dear family members David (Michelle) Libitzer of Magnolia, DE. He was the beloved Pap to Aaron, Brandon and Jocelyn Libitzer; Jeremy, Logan, Shayne, Jacob, and Brady Guzzie. Ken received the title of great grandfather to Elias James, son of Jeremy Guzzie and Logan Alfree and Aurora, daughter of Aaron Libitzer.

Ken was a kind man who always had a smile on his face and laughter in his voice. There will be a celebration of life with mass and luncheon at Hartly Fire Hall (2898 Arthursville Road) on Friday, May 17 at 11:30. In lieu of flowers, the family requests donations be made to Hartly Fire Department or Barclay Assembly of God Church.

Kenny was a brother from a different mother to me ! Since the first time we met we had an unspoken bond that only brothers share ! We even ordered the same food to often to count !! vividly remember the casual look or the knee bump under the table by either one of us when one or both of our ladies were getting on one of their stools to voice their opinion, I would say BJ in a formal way and he would say Deb the same way ! It always brought the issues back to normalcy !! distinctly remember when a group of us went from Delaware to Gettysburg on our motorcycles, Kenny had not bought the impala yet, as we were traveling route 30, he stopped to look at a car he noticed, someone in the rear made notice to me that Ken and Deb stopped, I pulled the group over and said I will go back to find them, I found them real quick they were just looking at the car, all was good. That evening Kenny came to me and shook my hand and said Bob that was a brotherly thing you did today in coming back to find us !! have so many good memories of Kenny ! It will take awhile to accept life without him !!Rest In Peace Brother

"Guzzie" as we called him was a smiling face at our shop from time to time. We enjoyed seeing him come in, because he always had some kind of story to tell. He had a good sense of humor and was an all around good guy. He always offered to help at our shop. said it would keep him from getting bored!!. We will miss him.. John & Sue (J & S Repair)

Debbie you and Kenny were like my big sister and brother I never had. It was the two of you that got me through those early teen years...if I didn't have the two of you to confide in...I have great memories of all the times we spent sitting around the dining room table at mom's...playing wiffle ball in the backyard and babysitting the boys. I'm sure you are hurting right now but lean on people and remember all the good times...hugs!

My heartfelt prayers goes out to all of his beloved family for comfort and peace. I will always remember his smile talking about his impala. And he was so kind, in our own loss of Mom, to cut our grass and not wanting any payment for doing it. Ken will be greatly missed. May you find comfort in knowing he is with our Lord and Savior Jesus.
