Heidi - Thank you for loving my grandson and filling his life with light and happiness. And thank you for loving his children. I keep running these words through my head. "The only scars in Heaven, they won't belong to me or you; There'll be no such thing as broken, and all the old will be made new. The thought that makes me smile now, even as the tears fall down, is that the only scars in Heaven, are on the hands that hold you now."

My Aunt Heidi was the most fun person in the room always. I'll never forget her love and support and will miss her always. I'll also always remember the time she let me take her car to dunkin' donuts 🍩

Heidi, I will always remember your cute laughter and how you would always just laugh things off. I enjoyed all of our many hours of talking on the phone in the evening and you sharing all the ups and downs we had together. Mostly when I think of you it's when we played in grannies and Pop pops backyard when you would visit. You were so cute and then you turned into a beautiful young woman.. It breaks my heart that you had to leave us at such a young age but now you're with my granny and Pop pop. Give them a big hug for me. Until we meet again, sweetheart. Love you beyond the moon and back. ❤️
