“ *RIP Charlie you will be truly missed and never forgotten. I have known you for many years way back when I was high school when I dated your son Chris and although we parted many years ago I must say that you did a great job and raised one hell of a man. It hurts to know you are gone but you will always be remembered*

“ *Charlie was a gentile giant. Throughout the years anytime I needed help he was there with Alice to help. When my daughter was 2 years old I rented a trailer in Felton. One very cold and snowy night I ran out of oil and Charlie without hesitation came out at 2am to give us oil so my daughter and I would stay warm. Just one of many times he was there for me. Married to my sister for 37 years it is going to be very hard for her. I am hoping people who knew Charlie will help her by donating to the GoFundMe account.*
