“ Dear Trish, Denise and Family - so very sorry to hear of the passing of your Dear Mother, Charlotte. We worked together for years at the Department of Education. She was a pleasure to work with. I will always regret not going to her house a couple of weeks ago for lunch, I had other family obligations but sent her a card. One of my most memorable memories are the still warm apple cakes she would bring into work. Sending your family my sincere heartfelt sympathy.

Sending love, Minnie Bowen
