“ Kim, Haley and Taylor you are in my thoughts and prayers. Your dad was defiantly "one of a kind" He told it like it was and always made me laugh. He would give me a swift kick when I needed it but there with a kind word or helping hand when I needed it. I know Baineey was waiting at the gates when your dad got there.... Caiden will miss his buddy.... We all will !!! Love to you all!!!!

“ I remember your father”s amazing smile. He would always walk into the bait shop with a smile on his face, just like Herb. Laughing and smiling....
