“ Margaret was a great friend and co-worker. Even after we both retired, she and Bill always kept in touch even though life's paths taken different directions. If anyone earned a first class ticket to heaven, our gal Margaret did. For those who wish to make a memorial contribution as expressed by the family, you can go to www.heartlandhospicefund.org. My condolences to the Bill and family. Ben Miller.

“ Margaret was such a beautiful, kind and caring person. She introduced me to the family Bible that shared our Nutt genealogy roots in Pennsylvania where I now reside. Without her confirmation we would have not been certain. She was such an amazing artist, cook, wife, mother, and extended family member. She will be dearly missed by all.
