“ Our family has lost another sweet cousin. She always had a smile and a warm greeting. I had not seen her for years, since I live in Arizona, but I still remember her kindness to everyone she met. May her memory be a blessing to all of you, especially Eddie, and may she rest in peace.

“ Micky was the sweetest person! Her hugs and back rubs were the best. She meant a lot to our family. We loved her dearly and will miss her so much!!!!

“ I was so sad to hear about Micky's passing. She was the kindest, sweetest person I have ever met. She always had a smile and a kind word. We had a lot of fun nights going out to dinner, playing cards, and being part of the Orchard Church family. She was so knowledgeable about sports, and I remember that nothing got between her and watching the L.L. World Series. My thoughts and prayers go out to Ed and her whole family. I loved her and will miss her.

“ The first day I entered Orchard, Mickey was waiting there to greet me. Every Sunday as soon as she saw me come in, she would be ready with a hug and a word of love. She was one of the sweetest and caring people I ever met in my life. Something will be missing for me when we return to our sanctuary. God has a new angel in our heavenly home. Praying for her family. Betty Farrar

“ I will always remember how Micky and Miss Margaret remembered my name and showed me love when I first started at Orchard Church (then Magnolia Church). I could always count on a warm greeting and smile from her before or after service. Much love to Micky's family, who must wait a while now, to see her again.

For Micky

When we come together again
you will not be there
but though
we know you have gone
we will look for you
by that door
where for so many years
you stood smiling
a pixie of a woman
the love of God
shining
through her eyes.

“ I love seeing these photos of Eddie and Micky. Always together. We always said their names together, as their marriage represented being one, totally devoted to one another. Micky was a special lady in every way. Always there to help and encourage anyone she came in contact with. We were blessed to have her in our family. We will miss her beautiful spirit! Love, niece Sharon Clendaniel

“ As a niece of Micky, I and my family will greatly miss her. When she walked in the room it was like a ray of sunshine had entered. We would always receive the best hugs, pats and back rubs! She was very generous with praise and acceptance of everyone. Uncle Eddie, Jodie, Eddie Jr., and Andrew please know that we are thinking of you and praying for God to comfort you and bring you peace. We love you and rest in our faith that Micky is now in heaven with our Lord and Savior, family and Friends that met her there. Don't you know there was a great homecoming celebration with many hugs when she arrived.

We love you,

“ To my brother and family,
We miss Micky already. I've often said she was the most optimistic person we knew. Bill and I think often of the road trips, dinners, game nights, family gatherings and gospel concerts we have shared with you and Micky. I think I may miss the phone calls the most.

“ As our next door neighbor in Edgehill, I remember so many things. She was always working either in or outside the house. The yard was immaculate and always colorful. She threw a baby shower for me. I remember her visiting when we brought the baby home and she was as excited as if he were her grandbaby. She told me about the "adventures" my father and Michael got into. One time they were up on the roof! She loved her swimming pool and could be found in it daily, but only after she had completed the cleaning and laundry (which she hung outside.) She was a lovely lady. I miss the times we spent together.

“ Micky was the most welcoming person I know. She greeted everyone who came in the door of Orchard Church as if they were her best friend. I am proud to call her my friend. We had some great card playing nights and started a lot of years together at New Years eve parties. She took such good care of her family and her church. It will never be the same without her. My heart hurts for those of us left behind, but my heart soars for Micky, who is with Jesus. I know we will see each other again. Love to all of you.
